DETAILED ACTION

1. The finality of the rejection of the last Office action is hereby withdrawn. The after final has been entered.

Reissue Applications

2. The reissue oath/declaration filed with this application is defective because the error which is relied upon to support the reissue application is not an error upon which a reissue can be based. See 37 CFR 1.175(a)(1) and MPEP § 1414. The declaration fails to specifically represent at least one of the errors in detail. The statement regarding "more detail than necessary" or the inclusion of ATTACHMENT A are insufficient since the declaration does not indicate the error(s) in the claim language as example(s), which are required in order to be considered a error correctable by reissue. Furthermore, the statement of errors without deceptive intent must include "all errors were made...".
3. Claims 1-6 and 12-13 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.
